Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Campbell PDA Enhancements in Fiscal Year 2026. The entity to receive funding for this project is the City of Campbell, located at 70 N. First Street, Campbell, California 95008. The funding would be used for a suite of transportation projects to improve walking, bicycling, and transit access as well as streetscape and landscape improvements in historic downtown Campbell and surrounding areas within the City's Priority Development Area. The project is an appropriate use of taxpayer funds because it will improve safety and provide better pedestrian connectivity by incorporating more pedestrian-friendly routes to help guide pedestrians in downtown Campbell to safer and shorter walking paths and crosswalks.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo
Member of Congress
