Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Eastside Parallel Trail, Segment 2 project in Fiscal Year 2026. The entity to receive funding for this project is the City of Half Moon Bay, located at 501 Main Street, Half Moon Bay, California 94019. The funding would be used for construction of a Class I trail in Half Moon Bay along Cabrillo Highway (State Route 1) between Spindrift Way and Ruisseau Francais Avenue. The project is an appropriate use of taxpayer funds because it will enhance safety for pedestrians and cyclists, especially children and seniors, and support the local economy by attracting more tourists and visitors.

The project has a federal nexus because the funding provided is for purposes described in 42 USC and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo  
Member of Congress
