The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Mountain Home Road Bridge, Woodside, California in Fiscal Year 2026. The entity to receive funding for this project is the Town of Woodside, located at 2955 Woodside Road, Woodside, California 94062. The funding would be used to replace Mountain Home Road Bridge in Woodside, California. This project is an appropriate use of taxpayer funds because it will replace an aging bridge that provides critical transportation connections in Woodside.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo  
Member of Congress
