Dear Chairman Womack and Ranking Member Clyburn,

I write to request \$2,500,000 for the Peninsula Corridor Joint Powers Board's Caltrain Grade Crossing Improvements. The project will fund up to three at-grade crossing improvement projects along the Caltrain commuter rail corridor. This request will fund the planning, design and delivery of one or a combination of the following safety enhancement types at at-grade crossings: solar lane markers, delineators, new and updated pavement markings, intrusion detection & monitoring, lighting, fencing, medians installation and roadway channelization, gates and gates warning signals, drainage improvements, concrete work, quad gates or any crossing improvement deemed necessary to improve safety, security, mobility, and operations reliability.

Agency: DOT/Federal Transit Administration
Bureau/Component: Transit Infrastructure Grants
Account/Program: General

Thank you for your consideration of my request as you prepare the Subcommittee on Transportation, Housing and Urban Development, and Related Agencies for Fiscal Year 2027.

Sincerely,

Sam T. Liccardo
