Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Caltrain Grade Crossing Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Peninsula Corridor Joint Powers Board, located at 1250 San Carlos Ave, San Carlos, California 94070. The funding would be used for coordination, planning, design and delivery of at-grade safety, security, mobility, and operational enhancement projects at existing Caltrain at-grade crossings. The project is an appropriate use of taxpayer funds because it will increase safety, security, mobility, and operational reliability for Caltrain passengers and road users.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo
Member of Congress
