Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Coastside County Water District for Water Storage Project in Fiscal Year 2027. The entity to receive funding for this project is the Coastside County Water District, located at 766 Main Street, Half Moon Bay, California 94019. The funding would be used for a new three-million-gallon prestressed concrete potable water storage tank at the Carter Hill site in Half Moon Bay, California. The project is an appropriate use of taxpayer funds because it will improve water supply reliability and increase water storage capacity by more than one day of emergency water storage for 19,000 residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo
Member of Congress
