Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Housing Preservation and Rehabilitation Program in Fiscal Year 2027. The entity to receive funding for this project is the City of Mountain View, located at 500 Castro Street, Mountain View, California, 94040. The funding would be used for seismic upgrades and safety improvements to soft story multifamily homes that were built before current seismic and safety codes and face greater risks from earthquakes and structural dangers. The project is an appropriate use of taxpayer funds because it will reduce the likelihood of damage or loss of life and support the long-term stability of lower- and moderate-income residents in naturally affordable homes.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo  
Member of Congress
