Dear Chairman Womack and Ranking Member Clyburn,

I write to request \$2,000,000 for the City of Mountain View's New Combined Police & Fire Headquarters. The proposed Public Safety Building Project would replace the outdated facility with a modern, seismically resilient, co-located police and fire headquarters at 1000 Villa Street. As an essential services facility built before the Essential Service Seismic Safety Act of 1986, the building does not meet current seismic standards, placing firefighters, first responders, and the community at risk during a major disaster when uninterrupted operations are most critical.

Agency: HUD/Community Planning and Development
Bureau/Component: Economic Development Initiatives
Account/Program: Economic Development Initiatives

Thank you for your consideration of my request as you prepare the Subcommittee on Transportation, Housing and Urban Development, and Related Agencies for Fiscal Year 2027.

Sincerely,

Sam T. Liccardo
Member of Congress
