The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the New Combined Police & Fire Headquarters in Fiscal Year 2027. The entity to receive funding for this project is the City of Mountain View, located at 500 Castro Street, Mountain View, California, 94040. The funding would be used to replace the City's Police and Fire Administration facility with a modern, seismically resilient, co-located police and fire headquarters. The project is an appropriate use of taxpayer funds because the current facility does not meet current seismic standards, placing firefighters, first responders, and the community at risk during a major disaster when uninterrupted operations are most critical.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo
Member of Congress
