The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Preserving Naturally Occurring Affordable Housing, Mobile Home Repairs for Seniors in Fiscal Year 2027. The entity to receive funding for this project is the City of San José, located at 200 E. Santa Clara Street, San Jose, California 95113. The funding would be used for repairs to naturally affordable mobile homes to improve accessibility and habitability, and to replace outdated appliances or other necessary household items. The project is an appropriate use of taxpayer funds because it will help low-income seniors remain in their homes, which are among the few sources of naturally affordable housing in the City.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam T. Liccardo
Member of Congress
