Dear Chairman Womack and Ranking Member Clyburn,

I write to request \$1,000,000 in community project funding for Santa Clara County's Neighborhoods Safety Hazards Mitigation and Abatement project. The project will provide financial assistance to eligible property owners in identified Very High, High, or Moderate fire severity zones. Eligible property owners include individuals with disabilities, low-income, or elderly. Funding will provide relief to property owners to address fire hazards on their property, such as blight, vegetative growth, combustible debris, and other hazardous materials.

Agency: HUD/Community Planning and Development
Bureau/Component: Economic Development Initiatives
Account/Program: Economic Development Initiatives

Thank you for your consideration of my request as you prepare the Subcommittee on Transportation, Housing and Urban Development, and Related Agencies for Fiscal Year 2027.

Sincerely,

Sam T. Liccardo
Member of Congress
